

Calling all DPAS Customers...

With ever more political change and economic upheaval affecting dentistry, it is becoming increasingly difficult for dental professionals to keep up with the latest statutory regulations and the business innovations that could be of real benefit to your practice and patients alike.

your dental plans

Your practice. Your patients. Your choice.

To help their customers to combat this situation, DPAS have arranged a FREE 'Insight' seminar series featuring a range of educational business presentations from some of the leading experts in their fields.

Commencing from 2:00pm, topics such as e-commerce, business planning, boosting patient numbers and guidance on meeting future practice legislation will be covered. Delegates will also have the opportunity to meet experts from a wealth of other disciplines and discuss themes such as financial planning, banking/finance and practice valuation before finishing at 5:00pm.

Delegates will be awarded 2 hours verifiable CPD for attending the event. For more information and to book your places visit www.dpas.co.uk or call 01747 870910.
