

Showcase Solutions from DPAS

DPAS Solutions made the headlines at this year's Dental Showcase, with dentists and practice managers keen to find out exactly what this new initiative could mean for their individual practices.

DPAS Solutions 'Voucher Rewards' offers practices switching from competitor plan providers to their own DPAS-supported plans, a £10 voucher for every patient successfully transferred over a 6-month period. The vouchers then build into a fund that can then be used to acquire the external expertise that practices so often need to help them flourish.

Sales and Marketing Director, Andrew Warren, was very pleased with the outcome of this year's Showcase. "The atmosphere at this year's Show was very positive and we had a great deal of interest in DPAS Solutions – this is fantastic news for DPAS and the practices concerned and bodes very well for the future."

Visitors to the DPAS stand had many 'Reasons to be Cheerful', with a caricaturist drawing digital portraits as a memento of the day and refreshments served at 3pm during 'Cheerful Hour'. Now a firm fixture of DPAS exhibition stands, Cheerful Hour gives delegates the opportunity to take a well-earned rest and this year they enjoyed a tailored tippie with a range of sparkling cocktails to choose from. Donations for Cheerful Hour went to the DPAS-sponsored Mouth Cancer Foundation charity and raised around £250 during the three day event.

Whatever support your practice needs, DPAS has the solution.
